**BLM Transfer or change of Operator Information, if applicable:**

Any change of operator must be promptly reported to the appropriate BLM field office. In the event of a change of operator involving an approved plan of operations, the BLM will not transfer reclamation responsibility to the new operator until it is assured that the new operator or the subject operation has satisfied the requirements of the 43 CFR 3802 and 3809 regulations as they relate to bonding. Reclamation responsibility remains with the existing bond until satisfactory replacement bonding is accepted for the operation. To expedite approval of operator transfer or change, the form contained in this attachment may be submitted to the appropriate BLM field office. (form attached)
